<p>The application of one reference by no means indicates that The best art for each claim has been applied. Once claims are amended, make new restriction requirements - There are many inventions are and they will be more evident once they give us real claims. When they've amended around Hardy, go through all of the art again.</p>		
Go to 705 and 382 if the claims drift more from 25	4/6/04	ds
